

## First Grade Flat Stanley Project

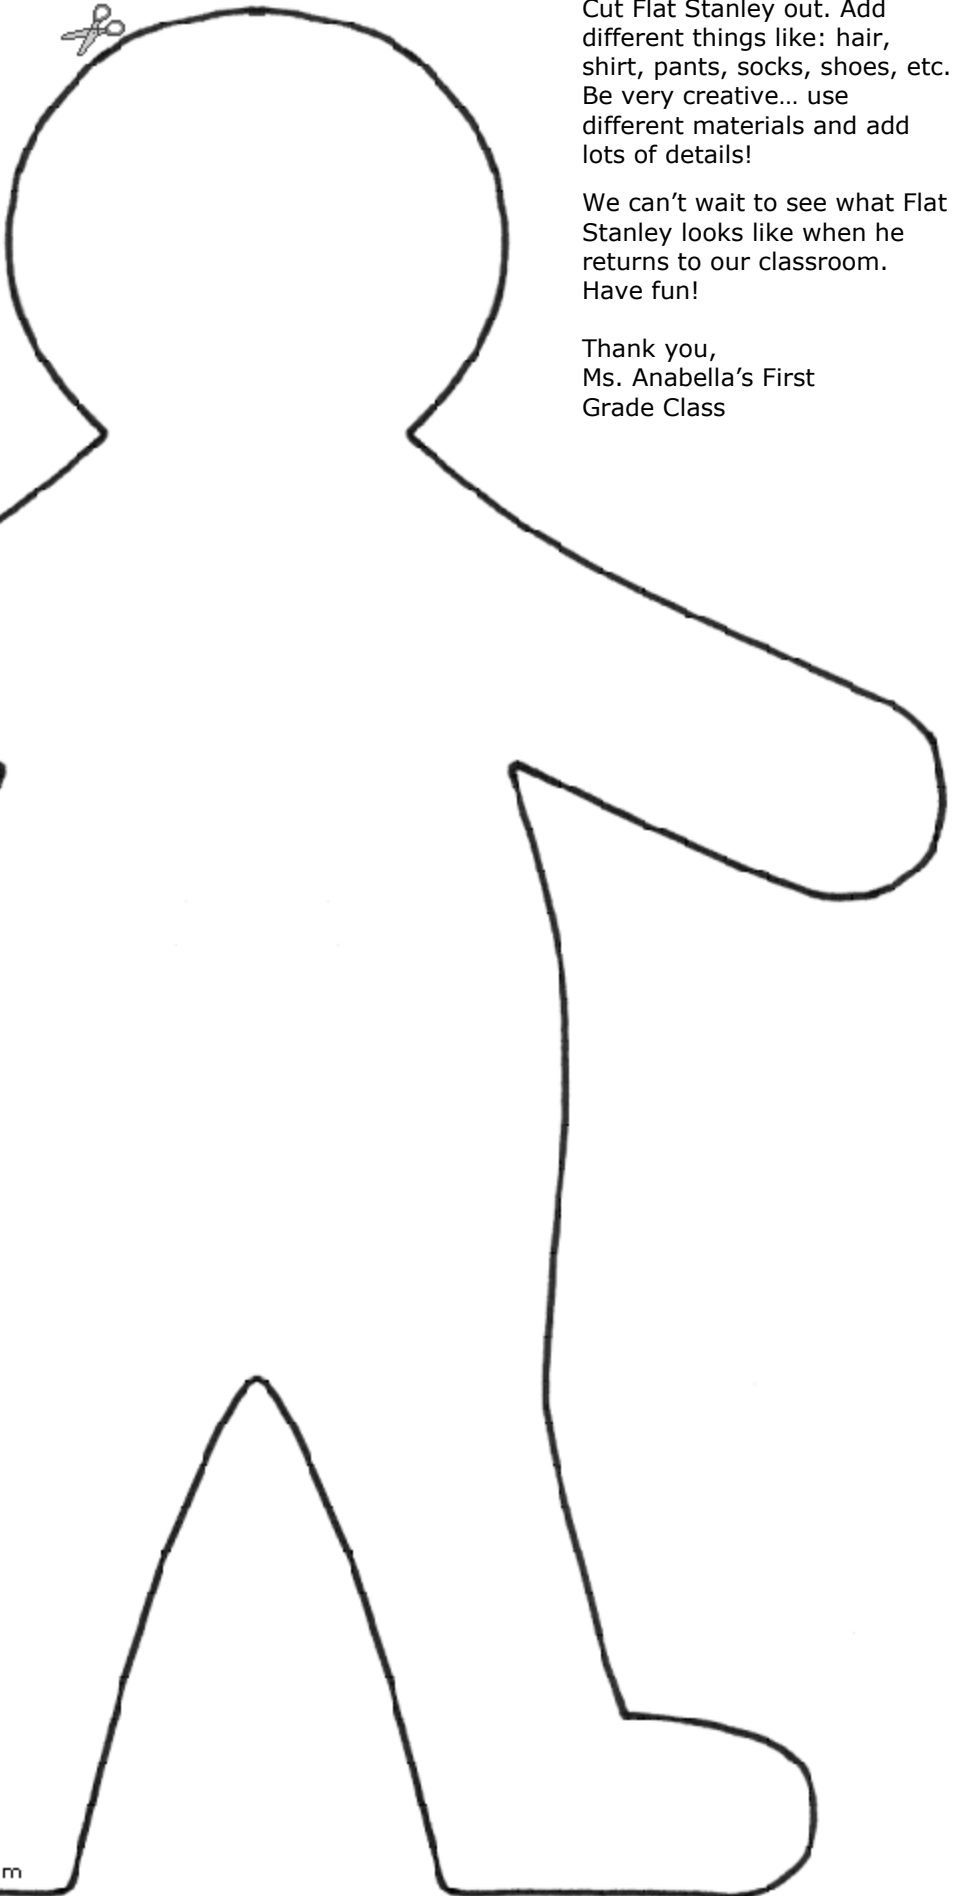

We send Flat Stanley to visit different places all around the World. Now, we are sending Flat Stanley to you!

Take him somewhere and write back telling us where he went. We are anxious to learn about the area where you live and/or visited and how you have fun. Please describe some of the activities you enjoyed with Flat Stanley.

Be creative! You may even include a picture of yourself with Flat Stanley, brochures, postcards, maps, souvenirs and many other goodies.

Once he is ready, please return him back to school with your letter and goodies for all of us to enjoy!

Thank you for helping us with this special project!

## Directions for Flat Stanley:

Cut Flat Stanley out. Add different things like: hair, shirt, pants, socks, shoes, etc. Be very creative... use different materials and add lots of details!

We can't wait to see what Flat Stanley looks like when he returns to our classroom. Have fun!

Thank you,  
Ms. Anabella's First  
Grade Class

If you are mailing Flat Stanley, please do so to the following addresses:

American International School  
Ms. Anabella's First Grade Class  
PO Box 4941-1000  
San Jose, Costa Rica
